

PNAA Scholarships

- More than 130 students helped since program's inception in 2010
- Over \$240,000 raised for student scholarships
- Scholarships of \$1,000 or more awarded to each student

Supporting the Next Generation of Aerospace Workers

Help PNA meet our goal of exceeding \$50,000 in scholarship donations in 2020.

PNAA Scholarship Program

For 10 years, PNA has granted scholarships to students in participating aerospace programs. Eligible students enrolled in participating aerospace programs are granted scholarships of a minimum of \$1,000. The program has grown substantially since its inception, and we were able to award \$29,000 in scholarships at PNA's 2019 Annual Aerospace Conference.
