Karl Fagan Memorial Scholarship

The Karl Fagan Memorial Scholarship was established to honor the life of PNA board member Karl Fagan. Karl was committed to the mission of PNA and had a passion for aerospace that was surpassed only by his love for family and friends. The scholarship is awarded annually to a student pursuing an aerospace education at the University Level. PNA has pledged \$2,500 each year to this scholarship, in addition to outside contributions.

We Need Your Help More Than Ever

The future of Aerospace and its leadership depends on this upcoming generation. Supporting today's students is in all out interest's.
